

OHS Risk Assessment...are you covered??

How can you be certain that your company is compliant with OH&S & Chain of Responsibility Legislation?

What's the state of your OHS Compliance ???

Latus Business Solutions have the SOLUTION for you!
We can organise to have a Risk Assessment completed on your premises, morning or afternoon and give you a report on the spot!!

The main topics covered are OH&S, Driver fatigue, Racking Compliance, Working at heights, Load restraint, Fire Safety, and Materials Handling.

We can also conduct a separate Racking review to ensure your racking is up to current performance levels.

For any information on Risk Assessment or details about our new training courses, please call the Latus office on 8620 2800, and ask for Katie.
